Cortland, NY 13045**

Time: **Morning Session - 8:00am to 11:30am
Afternoon Session – 12:00pm to 4:00pm**

Cost: **Afternoon Session - \$75
Lunch - \$5**

***Please pre-register before February 24th, 2010**

Morning Session: DOT Regulations and Environmental Permitting for Construction Activities

During the morning session SWCD staff and guest speakers will review a variety of topics including an overview of stream permitting, the latest in stormwater discharge regulations for ground disturbing construction activities, up to date DOT truck regulations, and an in depth look at the Cortland County Soil and Water Conservation District's project cost estimate process.

Afternoon Session: Mandatory Erosion and Sediment Control Course for SPDES Construction Activity

During the afternoon session attendees will take part in a New York State approved erosion and sediment control course that will meet the requirements described by the State Pollutant Discharge Elimination System (SPDES) General Permit for Stormwater Discharges from Construction Activity. According to the Construction General Permit, by May1, 2010, at least one trained individual responsible for the implementation of the Stormwater Pollution Prevention Plan must be on site on a daily basis when soil disturbance activities are being performed.
