

Sustainable Cortland Presents:

Fish Grew My Vegetables

Sustainable Cortland will be hosting a FREE workshop entitled “Aquaponics: Fish Grew my Veggies” on Wednesday, November 30th, 2011 from 7-9 PM at the New York State Grange Headquarters (100 Grange Place, Cortland). Allan Gandelman, owner of Main Street Farms LLC in Homer, will be presenting on how his farm sustainably grows organic produce and tilapia. Also to be discussed will be differences between aquaponics and hydroponics. Allan also operates Schoolyard Gardens, an educational non-profit organization for school aged children.

Fish Grew My Vegetables

- Who:** Open to the Public
What: Aquaculture Presentation
When: November 30, 2011; 7PM-9PM
Where: 100 Grange Pl., Cortland, NY
Why: Have fun learning how to raise fish and fresh produce in a fun exciting way!
And it's free!
